

Training for Rapid Antigen Tests, 05.7.2021

Dr. Avtar Singh Dua
Senior Professor (PSM)
SMS Medical College, Jaipur

Dr. Somya Grover
MD Student (PSM)
SMS Medical College, Jaipur

Training Objectives

- By the end of this training session, the trainees should:
 - Have the requisite knowledge on use of RTPCR App
 - Have the requisite knowledge on use of RTPCR App for Rapid Antigen Test

Understanding the Flowchart (Simple)

Download the **RT-PCR App** from
Google play store or iOS

On opening the RT-PCR App, this screen will be visible

**RT-PCR Test of India**

This App is meant to be used by sample collector authorized by collection centre to enter details of the samples being collected for Covid-19 RT-PCR test. It is mandatory to fill this form for each and every sample being collected. It is essential that the technician exercise caution to ensure correct information is captured in the form.

This App will read the location parameters (Latitude/ Longitude) of the place where the sample for RT-PCR test is being collected.

You can check your mobile number Authorization and Collection Centre details along with registration procedure [here](#)

Terms and Conditions

1. I agree to use this mobile app for advance reporting of samples being sent to ICMR authorised labs for RT-PCR test.
2. I am authorized by Government to use this mobile App.

Decline

Accept

- Click on 'here' to check whether your mobile number is authorized and Collection Centre details entered in the App

Check your Mobile App Authorization by entering these details

The screenshot shows a web browser at the URL covid19cc.nic.in. The page title is "Collection Centre and Sample Collector - Check Mobile App Authorization". The form contains the following fields:

- State ***: A dropdown menu with "-Select-" selected.
- District**: A dropdown menu with "-Select-" selected.
- Mobile Number ***: A text input field.
- Captcha ***: A text input field with the captcha "GrEzUa" displayed below it.

A note states: "Note: It is advisable to select District as it will be helpful in case you are not a registered user." At the bottom of the form is a green button labeled "Get OTP".

- I. State
- II. District
- III. Mobile number
- IV. Captcha

- Then click on the green box – 'Get OTP'

Enter OTP

Then click on Submit
